Lancaster Primary School is in year two holding of School Improvement for the 2010-2011 school year. All students enrolled in schools in year two holding of School Improvement have the opportunity to enroll in a school, within the geographical area, not designated for School Improvement. This transfer option is known as Public School Choice. Priority is given to low-achieving students from low-income families.

Public School Choice is contingent upon whether the neighboring schools will accept your child. Lancaster Primary students have no other primary school in Lancaster County in which to transfer. The surrounding school districts have indicated they are unable to accept transfer students from Lancaster Primary School.
